## The Principal's Message

It's almost time for your child to participate in the California Assessment of Student Performance and Progress (CAASPP). The assessments are for grades 3-6 and will take place **MAY 1<sup>st</sup>-12<sup>th</sup>**. We want your child to do his/her very best on these assessments because the accuracy of the results is important. You are a vital partner in the assessment process. It is very important for your child to arrive on time to school every day during the assessment period as they will not be allowed to go to class after testing has begun. Please do not schedule any doctor or dentist appointments for your child during the assessments so that your child has the best opportunity possible to do his/her very best. Our teachers and staff have been working very hard all year to help all students achieve grade level proficiency. We are looking forward to the assessments because we want our students to show off all that they have learned this year. It is also very important that students have a good breakfast prior to starting the test. As always, thank you for all you do for your children and for working with us to meet the needs of your children.

**Cafeteria Reminder:** Please do not send soda / carbonated drinks, glass bottles, candy or large portions / family size bags of food to school.

**Student Drop Off / Pick Up:** Please do not park at the curb or leave your vehicle unattended when it is not in a designated white-lined parking space. Working together we can make the parking lot as efficient and safe as possible.

**Bus Lane:** The yellow bus lane in front of the school is for the bus only.

## Stacey Logsdon

### Meadow View's Teacher of the Year

Mrs. Logsdon is a caring and hardworking educator. She inspires her students to do their best each and every day. The classroom culture in Room 19 is one of high expectations, hard work, engaging instruction and kindness.

Mrs. Logsdon's commit to her students and school is very easy to see. Her positive attitude and friendly character are contagious to both students and staff. She is always willing to lend a helping hand and continually goes above and beyond without being asked.

Mrs. Logsdon has been with the Bellevue Union School District for five years and has been teaching third grade at Meadow View for one year.

Congratulations Mrs. Logsdon, Meadow View's 2016-17 Teacher of the Year, we are lucky to have you!

## Learning Academy

We are now enrolling students for our Learning Academy! The Learning Academy runs from June 12 – 30, Monday-Friday. The program will provide enriching activities designed to engage students and support their learning. Activities will include writing workshops, science experiments, visual & preforming arts, social skills development and sports. The program is free and breakfast, lunch and bussing will be provided. Enrollment application are available in the office. Don't miss out on this wonderful
