The Principal's Message

February was another busy and productive month at Meadow View. In March we will be testing all 3rd graders for our Gifted and Talent Education (GATE) program. Report cards will be sent home on March 13, so please be looking for them.

During Spring Break we will be offering a week long Intersession Academy for all of our 3rd grade students. This is a wonderful opportunity for your 3rd grade child to continue to improve and foster their love of reading.

Summer Learning Academy and Kinder Academy registration is also happening. These are all fun and exciting programs that greatly help our students meet their academic goals. Please be on the lookout for the registration forms and sign your child up.

On March 14, from 7:40 to 3:15, Meadow View will be offer **free Tuberculosis (TB) screening** in the office. This a wonderful opportunity to complete one of the two necessary steps needed to become a volunteer at Meadow View.

Leprechaun Leap Walk-a-thon

Kinder - 1st grade will walk/jog in the MPR

2nd - 6th grade will walk/jog outside around the playground

Meadow View is raising funds to help support awards/prizes for academic achievement!! Please help support our school by pledging a student. This will be a fun event that gets kids moving. Music will be playing, prizes will be given, and children will be smiling! Students will keep track of the number of laps they run. The top boy & girl in each grade will get to have a pizza party with the Principal, Mr. Hoffman! Join us for this fun filled event and cheer on your child!
