

The Panther Press

Newsletter for Meadow View School

Daniel Hoffman, Principal

September 2016

The Principal's Message

With the first month of school already finished, students have been working diligently to master routines and expectations. They are doing a great job and we're off to a wonderful start.

I believe that one of the most important parts of my job is building strong relationships with students, staff and parents. Communication is crucial. If you ever have any questions or concerns please feel free contact me or stop by my office.

Parent support is an important factor in making sure that your child gets a quality education. There are many ways for you to get involved with your child's education such as going on field trips, helping in the classroom, helping with homework, attending conferences and attending school activities. If you don't know how you can help, please talk to your child's teacher or to me.

Consider supporting the PTA as a way of helping our school. Your \$5.00 per adult dues will help bring assemblies to our children, pay for field trips and allow them to participate in other activities that otherwise would not be offered to our students.

Please make sure that your children are dressed appropriately for school. Meadow View, along with each school in the Bellevue Union School District, adheres to common dress. Please see the attached notice about common dress guidelines.

IMPORTANT DATES TO REMEMBER

9/1	Girls Volleyball Tryouts
9/7	NO SCHOOL: Labor Day Holiday
9/8	NO SCHOOL: Professional Development Day
9/13	BUSD Board Meeting - 7pm/Open Session
9/27	School Smile Dental Program
9/30	Picture Day
11/7	Town Hall Meeting - 5:30 / MPR

Welcome Mrs. Logsdon!

My name is Stacey Logsdon and I am the new 3rd grade teacher here at Meadow View Elementary. I grew up in Napa, California and moved to Sonoma County when I was 18 years old to attend Sonoma State University. My grandmother was a teacher and ever since I was a little girl I have always wanted to follow in her footsteps. I graduated from Sonoma State University in 2006 with a Bachelor of Arts degree in Liberal Studies and a Minor degree in Mathematics. I then entered the credential program to become a teacher and graduated in 2007. I currently live in Santa Rosa and I like it so much that I hope to buy my first home here someday. I got married in June of 2015 to my wonderful husband Chris and we just got a puppy last March, his name is Peyton. I love reading, going camping, fishing, walking my dog, watching the San Francisco Giants and hanging out with my friends and family. This is my fifth year teaching in the Bellevue Union School District and I am excited to be working here at Meadow View!

ATTENDANCE

Your child's attendance at school each and every day is so very important. It is incredible the amount of learning that goes on each moment of the day. Our academic instruction begins at 8:00 each day. If your child should be out for some reason, please make sure that you contact the school office and let them know. Please make every attempt to make appointments after the school day. The children at Meadow View are learning at an amazing rate in being absent or late causes children to fall behind in their academics
