Wednesday Folders

To increase and ensure the success of our home to school communication, we have provided every student at Meadow View with a purple 'Home to School' folder. This folder will be sent home on Wednesdays with important school information.

K-3rd Grade Book Bags

Be on the lookout for Book Bags! All students in grades K-3 will be provided with a 'Home to School' Book Bag! This bag will contain four reading books for each student along with a reading log. The reading log is a place to write comments about the books that your child has either read or have had read to them. These bags will be sent home on Wednesdays (along with the Wednesday folder) to be returned to school in one week. Each week your child will bring home a different book bag with different reading selections. One of the best things you can do is have your child read to you or read to them every day.

You Could Already Be Home!!!

Please consider Southwest Community Park as an option for after school pick-up. We have a staff member who walks students to the Southwest Park parking lot. Students being accompanied to the Southwest Park parking lot meet at the picnic table below the solar panels on the Meadow View playground promptly after school. Families have found that this is less hectic than picking children up in the school parking lot. We hope you will try this option. It will make your life less stressful by avoiding the long traffic lines.

A Few Reminders:

PLEASE HELP US: Please do not leave your vehicle unattended at the yellow curb and please only park in designated white-lined parking spaces. There is no double parking. Working together we can make the parking lot as efficient and safe as possible.
